

All library applicants

At all L&A Libraries, everyone's conduct should be mutually respectful, law abiding, responsible and considerate of library property. Please consult our library policy handbook (available at each branch) for details. Violations of our Code of Conduct may result in cost-recovery charges, suspension of library privileges, exclusion from the Library and/or prosecution. By signing below, you agree to abide by all L&A Libraries policies.

If the applicant is under age 16

Please be aware that the policies of the L&A Libraries permit children access to all material formats in our system, including our computer network. By signing this form below, you, the guardian, are assuming full responsibility for the choice, use, return of all materials borrowed and for charges on items that are overdue, lost or damaged on your child's card. The library cannot withhold circulating material from any user regardless of age, or deny them access to the Internet. Parents/guardians are responsible for ensuring that their child obeys the rules and regulations of the L&A Libraries.
