# 2011 County Road Turning Movements

county of Lennox & Addington

Symbols show station locations and approximate total number of vehicles through the station during the peak hour. Labels show exact vehicle total at that station. Labels with an asterisk indicate no data was available for 2011; most recently available data was used (from 2010-2008 period). No turning movements were recorded north of the area shown.

**Peak Hour Total Vehicles**
